# Land & Labor Acknowledgement

Multnomah county rests on the stolen lands of the Multnomah, Kathlamet, and Clackamas Bands of Chinook Indian Nation; Tualatin Kalapuya; Molalla; and many others along the Columbia River.

This country is built on stolen Indigenous land and built by stolen African people. This land was not stolen and people were not enslaved by ambiguous entities and actors. The land was stolen by, and African peoples were enslaved by White settlers who had government support.

We also want to honor the members of over 400 tribal communities who live in Multnomah County. Many of these People and their cultures still survive and resist despite the intentional and ongoing attempts to destroy them.

Let us please take a moment of silence to acknowledge the history of how we are here in this place and to honor the People.
