

Multnomah Screening Services Tool (MSST) Date Entry Handbook

This handbook offers guidance on enrolling a participant in the new Coordinated Access (MSST) assessment. The process starts with obtaining the Release of Information (ROI) and then conducting the main MSST assessment. If you need to review how to search for existing participants or create new participant profiles along with their households, please refer to the link provided below.

Release of Information

- Click **ROI** from main menu bar, then click **Add Release of Information**

The screenshot shows the 'Client Information' menu with tabs for Summary, Client Profile, Households, ROI, and Entry. The 'ROI' tab is highlighted with a red box. Below the menu, the 'Release of Information' section has a button labeled 'Add Release of Information' also highlighted with a red box.

- Check the box to include household members who will be included on this entry.
- **Provider** – Defaults to your login provider (your agency). Add the MSST provider by clicking **Search** to look up the MSST provider by entering “MSST” in the search box and hitting **Search**; or entering **9066** in the provider ID box and hitting **Submit**. Click the **green plus sign** to add the provider. Hit **Exit**.

The screenshot shows the 'Provider Search' interface. It has a search box with 'MSST' entered and a 'Show Advanced Options' button. Below the search box are 'Search' and 'Clear' buttons. There is a 'Provider Number' section with a 'Provider ID #' field containing '9066' and a 'Submit' button. Below that is a 'Provider Search Results' table with columns for Provider, Level, Phone, and Location. The table shows one result: 'Multnomah Services and Screening Tool (MSST) (9066)', Level 5, 503-823-2386, Portland. A blue circle highlights a green plus sign icon in the first column of the table.

- **Release Granted:** Choose Yes or No to data sharing agreement accordingly.
- **Start Date:** defaults to today date, backdate to the Entry date if needed.
- **End Date:** 7 years from the Start Date
- **Documentation:** choose an appropriate method to gather ROI consent
- **Witness:** enter your name.
- Click **Save Release of Information**, then click **Exit**.

The correct ROI should look like this.

Provider	Permission	Start Date	End Date
Portland/Gresham/Multnomah County (OR-501)	Yes	09/10/2024	09/10/2031
Multnomah Services and Screening Tool (MSST)	Yes	09/10/2024	09/10/2031

Entry/Exit

- Click **Entry/Exit** tab, then click **Add Entry/Exit**.

- **Provider** – Defaults to your login provider (your agency). Replace it with the MSST, **do not enter data in the login provider**. Click **Search** to look up the MSST provider by entering “MSST” in the provider search box and hit **Search** or entering 9066 in the provider ID box and hitting **Submit**. Click [the green plus sign](#) to the left of the provider, click **Exit**. Now the provider should say MSST.
- **Type**: select Basic.
- **Project start date**: defaults to today date, backdate to the entry date if necessary.
- Click **Save & Continue**.

11. Other sub-assessments

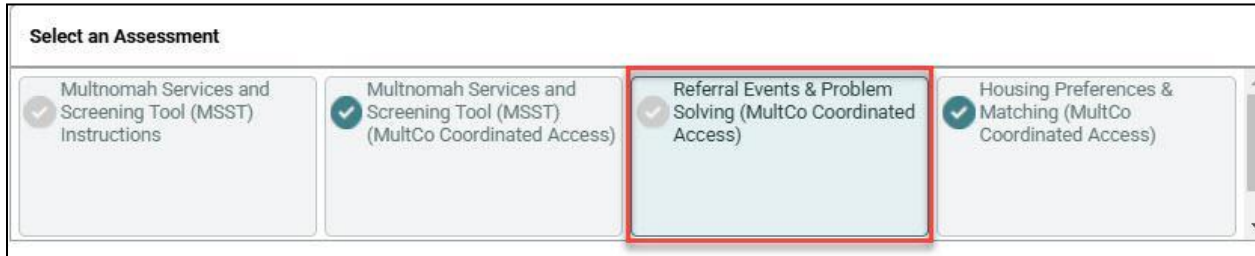

The following sub-assessments are simple. Please read the questions to participants and collect their answers. **Do not assume answers based on observations.**

- Health
- Eviction history
- Documentation Accessibility
- Legal Challenges
- Culturally Specific Services
- Contact Information

- Participant Feedback Survey

Once done, click **Save & Exit**.

B. Referral Events & Problem Solving tab.

Housing Problem Solving (HPS) should be recorded throughout participants' Coordinated Access journey. All assessors *except 211 staff* are expected to conduct Housing Problem Solving Conversations with participants only **after** the MSST assessment tool is completed.

If HPS happens on the same day as the MSST, enter HPS data through the Referral Events & Problem Solving tab. Otherwise, enter the HPS data through Interims. If you manage a household, you only need to enter HPS data related to the HPS offered during their MSST assessment.

How to enter data through Interims

Go to **Entry/Exit** tab, look for the MSST entry (as participants may have several entries), click the book icon under **Interims**.

Click **Add Interim Review**.

Interim Review Type: select Update.

Review Date: enter the date of HPS Conversation.

Interim Review Data	
Entry / Exit Provider	Multnomah Services and Screening Tool (MSST) (9066)
Entry / Exit Type	Basic
Interim Review Type *	Update
Review Date *	10 / 01 / 2024

Update: 02/2025

Click **Save & Continue**.

Click **Referral Events & Problem Solving** tab.

1. Coordinated Entry Event

Coordinated Entry Event tracks important events related to Coordinated Access that includes HPS conversations with participants.

Click **Add**.

Date of Event = enter the date accordingly to reflect the timeliness of the event. In this example, date of event = 09/10/2024 if the HPS happens on the same day of the MSST assessment or a later date if it happens after.

Event: select an event and its corresponding outcome.

Hit **Save**.

The screenshot shows the 'Coordinated Entry Event' form. It includes fields for 'Start Date *' (09 / 10 / 2024), 'End Date', and 'Date of Event *' (09 / 20 / 2024). The 'Event *' dropdown is set to 'Problem Solving/Diversion/Rapid Resolution intervention or service'. Below this, there are conditional questions: 'If 'Event' answer was 'Problem Solving/Diversion/Rapid Resolution intervention or service result', please answer the following question:' with a 'Yes' dropdown; 'If 'Event' answer was 'Referral to post-placement/follow-up case management result', please answer the following question:' with a '-Select-' dropdown; and 'If 'Event' answer was a Referral to an ES, TH, Joint TH-RRH, RRH, PSH, or Other PH opening, please answer the following question:' with a 'Location of Crisis Housing or Permanent Housing Referral' dropdown and a 'Please choose a provider.' section with 'Search', 'My Provider', and 'Clear' buttons. At the bottom, there are 'Referral Result' and 'Date of Result' fields, and 'Save', 'Save and Add Another', and 'Cancel' buttons.

2. Housing Problem Solving

Do not enter any protected personal information such as names or health conditions.

Click **Add** and enter information.

Once done, click **Save**.

Click **Save & Exit**.

The screenshot shows the 'Housing Problem Solving' form. It includes a 'Date of Conversation *' field (09 / 20 / 2024) and a dropdown for 'What was the outcome of the housing problem solving conversation?' set to 'Housing crisis at least temporarily resolved WITH financial assistance'. Below this, there is a question 'If participant's housing crisis was resolved WITH financial assistance, how much was requested?' with a 'Dollar amount of financial assistance requested' field set to '220'. A 'Notes' field contains the text 'Participant needed a bus ticket to stay with a family member out of state.' At the bottom, there are 'End Date' and 'Save', 'Save and Add Another', and 'Cancel' buttons.

C. Housing Preferences & Matching tab.

Do not complete this part unless JOHS staff notifies you that participants are in the priority pool!

JOHS staff will analyze data in the MSST assessment to determine which households will have housing priority so this part should be completed only **after** you are informed to do so. Once you have a greenlight from JOHS staff, reach out to participants to fill out this tab.

Enter data through Interims , refer to [How to enter data through Interims](#).

Make sure all fields are completed, missing information may cause delays in the housing match process.

Some information may be populated from previous entries, review and make sure data is accurate and up to date.

Hit **Save & Exit** once done.

When entering a HPMT for an adult only household is complete, please email adultca@multco.us. This helps us to review the answers immediately, and offer available housing resources, rather than waiting a week or more for the next report.
